4                   UNITED STATES DISTRICT COURT  
5                   WESTERN DISTRICT OF WASHINGTON  
6                   AT SEATTLE

7                   SEABOURN CRUISE LINE LIMITED,  
8                   HOLLAND AMERICA LINE NV,

9                   Plaintiff,

10                  v.

11                  ERIC J GOLDRING, GOLDRING  
12                  TRAVEL LLC,

13                  Defendants.

14                  CASE NO. 2:22-cv-00999-BAT

15                  **ORDER GRANTING MOTION TO  
16                  POST TRO BOND (DKT. 20)**

17                  Plaintiff Seabourn Cruise Line Limited and Holland America Line N.V. (collectively  
18                  “HAL”), request an order allowing them to post a TRO bond in this Court’s registry. Dkt. 20  
19                  (“HAL’S TRO Motion”). Defendants Eric Goldring and Goldring Travel, LLC (“Defendants”)  
20                  refused to stipulate to this request and filed a “Cross-Motion to Dismiss Temporary Restraining  
21                  Order and Response Motion for Bond to be Posted.” Dkts. 35 & 36. Defendants do not address  
22                  the narrow issue raised in HAL’s TRO Motion but rather, request that the Court dissolve the  
23                  TRO and sanction HAL. Dkt. 35. The Court has already rejected these arguments. *See* Dkt. 42.

24                  In granting HAL’s Motion for Preliminary Injunction (“Preliminary Injunction Order”),  
25                  the Court referenced HAL’s TRO Motion and stated that no additional bond was required to be  
26                  posted with this Court. Dkt. 42 at 8. However, due to the removal from state court to this Court  
27                  (and closure of the state court matter), the TRO bond is not currently held in the state court  
28                  registry. Therefore, HAL has renewed its request for an order allowing it to pay the TRO Bond

1 of \$10,000 in the federal court registry. Dkt. 20. Accordingly, pursuant to LCR 67, the TRO  
2 Order, and this Court's Preliminary Injunction Order, the Court **GRANTS** Plaintiffs' Motion  
3 Requiring Them to Post Temporary Restraining Order Bond in Federal Court Registry (Dkt. 20).

4 **IT IS FURTHER ORDERED** that Plaintiffs shall post a bond in the amount of  
5 \$10,000.00 with the registry of the Court within seven (7) business days of entry of this Order.

6 **IT IS FURTHER ORDERED** that the Clerk is directed to deposit funds into the  
7 Registry of the Court in the principal amount of \$10,000.00.

8 DATED this 6th day of September, 2022.
